LED Italianthai Co.,Ltd.

LED FLOOD LIGHT

HI POWER TECHNOLOGY

โคมไฟลานกว้าง สนามกีฬา

SQ Series 600w-1500w (ขนาดกำลังไฟตั้งแต่ 600w ถึง 1500w)

TS Series Professional Sports Stadium Lights

IP67

CQC

RoHS

CE

SQ Series 600w-1500w

SQ Series Professional Sports Stadium Lights

SQ600w

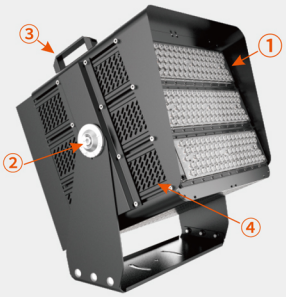
SQ1000w

SQ1500w

SMD Light source and reflective cup composed of two opticals

With technology of heat pipe, fin riveting technology and excellent heat disipaption performance, heat from Led chip can bedissipated efficiently through mechanism of vapor chamber, heat pipe and reviting fin(SQ1500 has 24 heat pipes, SQ1000 has 16 heat pipes, SQ500 has 8 heat pipes), LED will be kept within safe temperature range for its high lighting emitting performance. With features of lighting angle distribtuion option(7.5*15, 15*30, 30*60, 60*90), anti-glaring high reflectivenessoptics, lighting spillover prevention, tempered glass (4mm thickness), electro-painting plus UV coating, 200 hours salt-spray test, IP67 etc.

With Philips / CITIZEN / CREE brand LED chip and Philip / MW(MEAN WELL) driver, lamp can be with excellent light performance, reliability and assured quality. To replace metal halide lamp of 1000W, 2000W... with features of fast startup, longlifespan energy saving, no bulb replacement concern



Anti glare design shape, the glare index to a minimum

Bracket angle scale dial, easy adjustment

Handle assembly, convenient transportation, installation and maintenance

With the continuous composite shaping technology of copper fin heat pipe, high heat dissipation body outdoor special process, 200H salt spray test proven

SQ Series of Products with the Table

Product model	Light distribution	Light source model	Voltage	Current	Number of light sources	Way of parallel series	The base plate	Optional light angle	Adapter Power Supply
SQ600	84IN1	SST-20/Cree XPL	42V	13400	84	14S3Px2	381*87*1.2mm	10	ELGC-300-HA*2pcs
SQ1000	84IN1	SST-20/XPG3/V2/XPL	42V	22400	168	14S3P2*x2	381*87*1.2x2	10	XLG-250/ELG-240(4PCS)
SQ1500	84IN1	SST-20/XPG3/V2	42V	33600	252	14S3P*2x3	381*87*1.2x3	10	XLG-250/ELG-240(6PCS)

SQ Series Scope of Application

Ideal Lighting Choices for internal room, Outside Stadium, Sports Fields, Golf Course, Plaza, Harbour, Airport, Construction Area Etc.
